A-BOARD BEFORE ETHICAL HIGH COLLEGE OF PROFESSIONALISM & HUMANISM-HIGH PROFILE APPEARANCE

Dear Honorable Presidents, SATPs, Deputies, Members, Staff, Honorable Ambassadors & Friends,

As stipulated in our Handbooks & Bylaws in times of Crisis involving the Presidency and the BOD, It's Your Honorable Chairman, I, Dr. Monroe Mann have the Duty and Obligation to update you on the ongoing events that have been mistakenly shaking our Prestigious Organization: Remember Africa Int'l Inc, especially when the President&CEO is determined to reach out to the Ethical High College of Professionalism & Humanism comprised with very Serious and important Personalities.

FIRST EVER ETHICAL HIGH COLLEGE'S APPEARANCE IN RA"

If Dr. Caroline Hoth who represents herself in her defense, succeeds to scientifically with All Ethics and Humanism to demonstrate "The Unfairness Discriminatory on "BOD's Firing Decision ALL MEN Biased" last Thursday Nov. 2nd, 2017 , even though BOARD claims to have "given too much time, over & over again & again, with "too additional and many non respected last days continually time bought through negotiations by The Honorable Dr. Hoth despite BOD's disagreement on The President&CEO' previous poor judgement... Attitude in RA-Premises, later on, transpired in Evil Faith-Disobedience Conspiracy against the entire Organization" as they stated,

...

The Ethical High College may probably rule in "Favor of Dr. C. Hoth". They may try to understand her "Good Faith Samaritan" decision, VERY WELL KNOWN BY US ALL from Caroline Hoth who is the RA President&CEO just wanted to help put a roof on the heads of "Desperate Woman with her entire Family and Boyfriend, even though the Woman turned to be disobedient acting in Bad Faith towards Dr. Hoth. The RA Good Will Ambassador's Humanism from her Ungrateful beneficiaries and "Sacking "Burrous" might turn to make her a Real " Humanitarian Victim" in this entire situation. Then, Dr. Hoth may just benefit from the RA-BOD's Complete and Immediate Restoration with very interesting Monetary Reparations to The Doctor. All her "burrous" will consequently benefit from very interesting

sanctions from the Ethical High College including the Chairman & All Directors who acknowledged such Executive Presidential decisions and got it implemented even published it without waiting for the Ethical High College's final decision. But all this still of course speculations.

As of today, the Ethical High College of Professionalism and Humanism has 48 to 96 hours to render Verdict in this Very High Profile case to avoid any more damages. Meaning by this Friday November 8th, 2017, we all will be fixed, whether Dr. Hoth is completely out of RA International Inc as President&CEO or will be restored and probably with more reparations than expected, if that's the case.

Stay connected with no fear. Where there's no Vision, the People perish. The sky remains your only limit."
