ETHICAL HIGH COLLEGE FOR PROFESSIONALISM & HUMANISM

REINSTATEMENT JUDGEMENT NOTICE IN FAVOR OF DR. CAROLINE N. HOTH AS "REMEMBER AFRICA INTERNATIONAL INC." NOW PERMANENT PRESIDENT & CHIEF EXECUTIVE OFFICER (PP&CEO).

AFTER A CAREFUL EXAMINATION AND ANALYSES OF FACTS, DIFFERENCE CORRESPONDENCES, STAFF & MEMBERS' TESTIMONIES AND SUPPORT,

FINDINGS- DECISIONS –REWARDS & SANCTIONS: THIS ETHICAL ELECTORAL COLLEGE APPROVES, SIGNS & DECLARES TO HAVE FOUND DR. CAROLINE HOTH NOT GUILTY AND NOT ACCOUNTABLE OF WHAT IS GOING ON IN AFRICA/CAMEROON TO BE PENALIZED FOR JUST GETTING HER HUMANITARIAN MISSION TO BE ACCOMPLISHED.

THEREFORE, THE EXECUTIVE PRESIDENTIAL DISSMISSAL OF NOV. 2nd, 2017 BY BOD IS CONSIDERED NULL, FRIVOUS, AND INVALID. DR. HOTH'S COMPLAINT IS VALID & JUSTIFIED. HER REINSTATEMENT, REHABILITATION & REWARD WITH BOD'S SANCTIONS MUST BE APPLIED ACCORDINGLY, TO AVOID JURIDICAL RELAPSES.

Dr. Caroline Hoth, RA Longest Serving President & CEO since 1998, had indeed been MISTAKENLY dismissed and publicly humiliated. The BOARD Of DIRECTORS (BOD) or BOARD led by its Chairman had ERRONEOUSLY failed in its Duty, Obligations and Responsibilities towards Madam The Honorable President & CEO as well as her Presidency Leadership Team, to put in place reasonable adjustments and measurements to take account of Dr. Hoth's High Profile Position as The Longest Serving President & CEO of our Prestigious Organization: REMEMBER AFRICA INTERNATIONAL INC. (RA INT'L, INC.) practicing in extremely tough Environments in different Fields like in Africa, India, East Europe where her Humanitarian Missions might take her to compelling, compromise with certain realities completely different to our USA's comfort; where we all are sitting and never wanted to even consider a trip with Courage and Love that ONLY Dr. Hoth has gotten to put in application our rules, regulations with no compensations to her.

This Ethical Electoral College found the BOD's Appreciations & Trust as a matter of concern on behalf of Dr. Caroline Hoth, to be "...in essence, patronizing, intrusive and entirely inappropriate" and that it was not for the Trust and Appreciation of too much Responsibilities and Work to "interpose themselves into the BOARD & Presidency Relationship and to seek to exercise some sort of role in that relationship as a result of something occurred as a result of "Too Wealthy & Masculine Ego" towards A Very High Dynamic & Powerful Woman, Dr. Caroline Hoth, proven to the Fact that The Thursday November 2nd, 2017 Unfair BOARD's Decision was AN ERROR although led by The Chairman himself, was TOO CONFUSING to all Men OF THE BOARD, to push them all in Juridical wandering by dismissing the Longest Serving President & CEO, our Organization ever had, especially with her Courage to bring the African to accept Training and put them online to benefit of their hard work through required Quotas Dividends and RA-ICC just with their reduced membership Registration. The BOD should be very proud of The Permanent President & CEO to have been so GENEROUS Creator and Implementer for such High Elevation & Consideration of A Human, Kind of all our Members be it from Africa, Asia, Europe or America with NO DISCRIMINATION, be it White, Black, Red, Yellow, Blue, Dr. Caroline has just proven that what Humans FIRST need is LOVE, ATTENTION, UNDERSTANDING, CONSIDERATION OF WHO THEY MIGHT BE NO MATTER WHERE THEY COME FROM. IN CONCLUSION: *Madam The Honorable Permanent President & CEO: Madam Dr. Caroline Hoth,*

It is with the utmost respect and pride that we voice our support to your efforts to transform the World to a Better World of Love, Human dignity through Equal opportunity through your tough, but compassionate Leadership of Education, Professional Training, Healthcare, International Exchanges, AGOA, Environmental Protection=Energy For All with your Personal Investment in the Well being of those in need just by becoming RA's Members while helping Discipline and preservation of Ethics and the pursue of Happiness through Hard Work and Equal Opportunity in our Prestigious Remember Africa Inc Organization.

As we all may know RA was created as a US 501c3 International Humanitarian NGO, but go centuries beyond our own existence today through our Common Ancestors Be it Whites or Blacks, we never just care. You NEVER cared Madam the PP&CEO. Your elevated sense of Integrity and High Consideration for Human Kind are Exemplary Madam the PP&CEO. This Extreme Positivism, Good Faith, and Optimism allow not only the "black Community to have a name on the National and International levels as many see only Africa as (Black) because of the name linked to remind Peoples of their contributions towards Color Communities, but mainly to

bring All humans together to consolidate their Togetherness, find solutions to remember not only those of Africa descents but all those who feel not privileged, depraved, rejected to be considered as a Human beings in general. Be it 'White, Be it Black. Be it Yellow, Be it Red, Be it Blue, you have succeeded to coordinate all of Us as our Leader in this Organization to come together to serve those who are in need of us, but not in a miserable way, you created the Elevation of the Spirit to search for Better Life through hard work and commissions-compensations. Bringing therefore, everyone involved to become a Shareholder in our RA. Something that exists nowhere else in any NGO or even in old 501c3 NGO like the United Nations, UNESCO, WHO or more despite their huge means and expensive Memberships. We, at RA are indeed very Young, But VERY UNIQUE under your Simplified and Humbled Leadership.

Thousands of Beneficiaries including ourselves who never knew what a " Real Bill of Share Certificate" looks like before, or if a Real 4G or 5G Hi-Tech-Telecommunication's existence can be possible, or International Issuance Diplomas from Africa and Asia can be received through CREATIVE & EFFICIENT FREE PROFESSIONAL Trainings & Seminars with no DIME for anyone to pay for, or transforming all Brains dormant to ACTIVE brains in the US, Asia, EU, Africa and around the World. This became addicted to All RA INC Members Nationally & Internationally. And that Vision to avoid it perishing has reversed every RA Member, top class or Low Class to be JUST a MEMBER TO HAVE ACCESS TO ALL IN RA with NO Prejudice under your Leadership.

This Crisis has been the REAL Demonstration of your Determination in Actions to bring all of us to open our eyes in the Continent that many pretend to know or to help, but just stay for a WHILE, then DISAPPEAR. Here, you insist in REAL and DURABLE Development that RA has engaged itself in that Territory, and you will NOT give up on them whether they on the streets or sitting next to a River or Farms or in little Huts of Pygmies' as you described them, you are ready to welcome them ALL as your Members, Colleagues, Students, Children, Brothers, Sisters, Mothers, Fathers. Because you stated, that's how they also welcome you with their little but ALL that they had. N. We, at this High College wishes to Thank You Madam PP&CEO to contributing greatly to our Great Organization now going Worldwide in all Humility under your Leadership up to the Coasts of Red, Blue Oceans to the Atlantic Ocean in Africa. We have been those beneficiaries you helped to spiritually and richly restored by you Madam. Many of us have been made top Leaders because of your teachings, Love & Generosity hat have no limit even when you're empty, and you keep up giving. UNIVERSAL TESTIMONY!

RA Members are all Ordinary people who every day you are bringing from wherever to do extraordinary things by teaching them to believe in themselves, learning a different language like English that many never thought it's possible. Exploring the World of Geopolitical Marketing, Financial Ambitions, for a Better Social Economical Industrialized Technological World Development" to quote you Madam I'm happy that I have lived up to this day to see a Brave, Black Woman expressing herself with such Confidence, Knowledge in her Pragmatism, Humanism, & Professionalism. You inspire so many People despite the Discrimination and the Hatred of the Non-illuminated ones. The attacks on you with "bad labels" of the ignorant to distract and discourage you grossly misrepresent the intentions and rigorous intellectual

and humanitarian Commitments of Ethics and Leadership of yours. All your Closed Collaborators who one could have thought are ready to replace you Madam PP&CEO, state: Dr. Caroline Hoth is the BEST among US ALL..." You prove every day through your Capacities & Abilities that the Skin Color or Feminine Gender DOESN'T NOT MATTER.

Your sacrifices for years now in the jungle of Africa are just amazing and monetarily "PRICELESS", despite Human & Nature challenges. You continue the efforts with no excuses by generously extending your heart, your hand, your brain, your Love, your research works to all those who are willing to accept you, and becoming a Member." Just by becoming RA's Member. Dr. Hoth, my Wife gives it all" Your Husband stated. You don't care if they "love" you or not. Your "Mission is to see if they have a Problem and need help" You give continuously as we All have been receiving from you Madam. You are in your right position as The Permanent President & CEO of The Fastest Growing Humanitarian NGO in the World: RA International Inc (REMEMBER AFRICA INC).

On our part, in this Ethical High College for Professionalism & Humanism, we promise to continue to gather means, laws and support for we plan to vote an Assembly Resolution which will recognize and celebrate the invaluable contributions of Africans Ethics, Socio-Economical-Industrialized-Technological Durable Development Departments and Programs including their Faculty, Staff, and Distinguished Members to be honored under your leadership with Special Recognitions next to President's Rewards. Please join me sometimes next year when I'll present such resolution on Board Assembly and Congress.

Your Fight Madam The Honorable Permanent President & CEO, is COLORLESS, AGELESS, and GENDERLESS with a larger struggle to preserve these Ethical and Humanitarian Valuable Programs with their Departments that you initially implemented with all your Dedicated Team. We URGE The BOD to rebuild Loyal Permanent Support of You as it always has been and stipulated in our Rules, Regulations, Bylaws and Constitutions. Thank You for your indescribable Courage, Love, Generosity and Resolve Madam The Permanent President & Chief Executive Officer Dr. Caroline Hoth.

In solidarity, we stand with you all to IMMEDIATELY REOPEN ALL RA ACTIVITIES as soon as possible today!
