REMEMBER AFRICA is a US-501C3 INT'L Humanitarian NGO. The Organization is authorized by Ministerial Decisions; N°00232/A/MINATD/DAP, MINFI-N°1787/14/APR/08, MINPOSTEL-N°0000360/16/DEC/10, to improve the living conditions of Africans and the Less Developed. Our main Mission is to educate, provide, generate, and develop means that bring Durable Development to the needy in Afro-American communities as well as minority groups in America, Latin America, Asia, Europe, the Caribbean's & Africa through FREE PROESSIONAL TRIANINGS & Initial Investments and Savings /Credit.

Since 1998, after Dr. Caroline HOTH took office as the second President and Chief Executive Officer of Remember Africa Inc, her very first major move has been to work for the enactment of the AGOA Bill which was eventually tabled in Congress and then voted under the US President H.E Bill CLINTON and First Lady Hillary CLINTON. The African Growth and Opportunity Act (AGOA), then saw the light of day on 18th May 2000, thus ushering in a new lease of life in Americano-African Economic Relations on a win/win basis. The vision becomes more feasible today with the implantation of the African Head Office of Remember Africa Inc. in Cameroon through the fore sightedness and determination of its President and Chief Executive Officer, Dr. Caroline HOTH. Cameroon, rightly considered as Africa in miniature in terms of Human, Material and Natural endowments, will serve as a veritable springboard for the fulfillment of the AGOA vision. Through the amendments of AGOA Bill, we can understand that in this second term of Hon. President OBAMA the newly Re-Elected President of USA, is more than ready to promote the U.S.A. and World Wide Economy in this time of Economic and Financial crisis. In July 2013 President Barack Obama and First Lady Michelle Obama came to Africa to reinforce the Economic Power of AGOA. Prior to the US President's arrival in Africa in 2013, Remember Africa under the Dynamic Leadership of its President/CEO Dr. Caroline Hoth with her team launched the RA-AGOA-USA EXCHANGES at the RA African Headquarters in the Capital City of Cameroon Yaounde, Rue Ceper inaugurated by H.E. US Ambassador Robert P. Jackson on February 21st, 2013... The Duty Free Access Legislation to the US market under the contained AGOA/GSP program stands at approximately 7000 product tariff lines, including the approximately 1800 product tariff lines that were added to the GSP. Notably, these include items such as apparel and footwear, wine, certain motor vehicle parts, a variety of agricultural products, chemicals, industrial machines, steel and others. (AGOA Forum 8-10 June 2011.(Lusaka/RA-AGOA-USA Launching May 9, 2013 in Africa). Join US AT RA-AGOA-USA AFRICN Headquarters-RUE CEPER/LIONS CLUB YAOUNDE – CAMEROON.
